Welcome to the 65th Annual Shippensburg Community Fair!

*We extend our hearty welcome to all exhibitors, friends and visitors
to our 2023 Shippensburg Community Fair!*

Welcome!

This year we celebrate *65 years* since the beginning of the Shippensburg Community Fair – back then a small agricultural celebration in the Municipal Parking Lot on Burd Street. Even now, we continue to gather each year to learn and commemorate our heritage amongst family and friends, though the event has grown by leaps and bounds since its origin.

Our fair theme for 2023 is *“Pennsylvania Fairs: Growing the Future”*. This theme serves as an opportunity to reflect on our roots while looking toward developing the many exhibitors and volunteers that will steer the future of the fair and of our community.

We are so excited to welcome you back to the 2023 Shippensburg Community Fair for the traditions that keep our community rooted in success. Join us to celebrate 65 years of exhibits, family, and agriculture! Thank you once again for your participation in the Shippensburg Community Fair as an exhibitor, and best wishes for a successful and healthy 2023.

DEPARTMENT 11

Chairperson: Tammy Holtry; Fay Hensel,
Virginia Hoover, Paula Patterson

Tips on exhibiting vegetables:

1. In selecting vegetables for exhibition, choose specimens that would bring the highest market price. Do not select the largest, select medium size specimens.
2. Following factors are generally used by the vegetable judge.
 - a. True to variety type. If possible pick specimens from one variety.
 - b. Uniformity in shape, size and color.
 - c. Be sure to pick out a perfect specimen, then select the others as similar to it as possible. Never mix specimens of different maturity.
 - d. Protect from dirt, disease, infection, and mechanical damage. Select specimens that are perfect and show no blemishes of any kind.
 - e. Condition and maturity. Be sure that exhibits are of high quality.
 - f. Potatoes should not be washed. Remove soil using a soft cloth or brush.
 - g. Tomatoes should have stems removed. Carrots, beets, etc. should have tops (leaves) removed from vegetables leaving about two inches of stems.
3. Read premium material, carefully following all rules and their regulations. If entry calls for 5 specimens, be sure to exhibit that number. Your entry will be disqualified if the correct number of specimens is not entered.

7. Entry must be submitted for judging **on a food safe disposable setting**. (*All pans, plates and dishes are considered to be disposable and will not be returned.*)
8. Recipe(s) must be submitted with the entry, printed on one side of 8-1/2" x 11" paper. Recipe must list all ingredients, quantities, and the preparation instructions. **The name of each PA Preferred® ingredient or locally purchased ingredient must be clearly listed clearly along with the source that made/grew the product** (*ex: PA Preferred Milk – Galliker's brand or Apples - Smith Farm Orchard*). Entrant's name, age, address and phone number must be printed on the back side of all the pages. (*All recipes and cookies-brownies-bars will become the property of the Fair or PA Farm Show and will not be returned.*)
9. Refrigeration is **not** available at the fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.

Department 13 - Vegetables

Section 1 - Vegetables

DEPARTMENT 13

Chairpersons: Sharon Poe and Betty Gayman; Glenda Bistline
Karen Reed, Julie Rosenberry, Linda Tosten

Tips on exhibiting vegetables:

1. In selecting vegetables for exhibition, choose specimens that would bring the highest market price. Do not select the largest, select medium size specimens.
2. Following factors are generally used by the vegetable judge.
 - a. True to variety type. If possible pick specimens from one variety.
 - b. Uniformity in shape, size and color.
 - c. Be sure to pick out a perfect specimen, then select the others as similar to it as possible. Never mix specimens of different maturity.
 - d. Protect from dirt, disease, infection, and mechanical damage. Select specimens that are perfect and show no blemishes of any kind.
 - e. Condition and maturity. Be sure that exhibits are of high quality.
 - f. Potatoes should not be washed. Remove soil using a soft cloth or brush.
 - g. Tomatoes should have stems removed. Carrots, beets, etc. should have tops (leaves) removed from vegetables leaving about two inches of stems.
3. Read premium material, carefully following all rules and their regulations. If entry calls for 5 specimens, be sure to exhibit that number. Your entry will be disqualified if the correct number of specimens are not entered.

BLUE RIBBON APPLE PIE CONTEST

INSTRUCTIONS TO BE USED BY FAIRS AT THEIR 2023 EVENT

Each county/local fair is encouraged to conduct a 35th Annual Blue Ribbon Apple Pie Contest at their 2023 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2024 PENNSYLVANIA FARM SHOW.

RULES for local Fair and the PA Farm Show contests are as follows:

1. Open to any individual **amateur** baker who is a Pennsylvania resident. One entry per person.
2. Entrants may **NOT** have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2023.
3. Entire entry must be **made from scratch**. No pre-packaged ingredients may be used (*ex: pre-made mixes, cookie dough, pie crust, frosting, etc.*) **All ingredients and decorations must be edible.**
4. Recipe **must include at least 60% apples in the filling**. It does not need to be a "traditional" two crusted apple pie and it can have a variety of fillings.
5. The entire pie must be submitted for judging in a food safe disposable pie pan. (*All pans, plates and dishes are considered to be disposable and will not be returned.*)
6. The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 1/2" by 11" paper. The recipe must list all the ingredients, quantities, and the preparation instructions. Entrant's name, address and phone number must be printed on the **back side** of all the pages. (*All recipes and pies will become the property of the Fair or PA Farm Show and will not be returned.*)
7. Refrigeration is **not** available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
8. Judging will be based on the following criteria:

Flavor	30 points
Filling: consistency, doneness, moistness & flavor	25 points
Crust: color, flavor, texture doneness	20 points
Overall Appearance	15 points
Creativity	<u>10 points</u>
TOTAL	100 Points

Creativity is essential to a varied competition. Do not limit your contest to a "traditional" two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling.

The recipe for the pie and pie crust will also need to be submitted when entering at the Pennsylvania Farm Show.

Each Fair must submit the Contest Summary Report verifying the winning apple pie baker. This person will then be eligible to enter the state competition at the 2024 PA Farm Show and will receive the Official Certification Form from the PA Fairs Special Baking Contest Committee.

NOTE: *If an individual has already won 1st place at another fair in 2023 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2024 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.*

First Place Winner is eligible for the 2024 PA Farm Show competition.
